

Making Impact. Our Process.

ANNUAL IMPACT REPORT

LISC achieves broad impact through partnerships with more than 70 community organizations, technical assistance providers, researchers and government agencies.

IN 2014

LISC MADE 180 GRANTS TOTALING

\$8,234,374

SIX NEW LOANS HAD A TOTAL VALUE OF

\$7,785,332

More than 42,000 individuals were reached by LISC-supported programming in the neighborhoods.

ACTIVE AND SAFE SPACES

Hoops in the Hood brought together **2,500** youth and families at **143** events across **14** neighborhoods. South Side communities hosted **75 PlayStreets** gatherings, attracting **10,991** people. More than **520** youth stayed active through the **Little Village Youth Safety Network**.

WORKFORCE SKILLS

The network of **Centers for Working Families** served more than **13,000** clients with digital skills training, financial coaching and employment resources. More than **6,400** received **multiple services**, which helped **3,326** achieve gains in credit score, net worth or net income.

HEALTHY PEOPLE

Outreach workers shared information about the **Affordable Care Act** with **27,000** people and helped **4,408** enroll. More than **7,500** family members were served at school-based health centers; **107** schoolchildren were connected to **AllKids** health insurance. Health planning processes are underway in three neighborhoods.

CIVIC TECHNOLOGY

An easy-to-use website helped **570** people apply for \$1 vacant lots through the City of Chicago **Large Lot** program. More than **300** residents accessed public data through LISC's open government engagement initiative. **Data Friday** gatherings helped **135** community development leaders advance their skills.

RETAIL AND BUSINESS DEVELOPMENT

The **Business District Leadership** program brings award-winning training to retail specialists in **20** neighborhoods. Commercial Corridor Brown Bag lunches help **45** leaders share strategies with peers. New **Special Service Area** taxing districts generate **\$748,000** to support beautification, marketing and other services.

LENDING FOR STRONGER NEIGHBORHOODS

South Chicago Art Center will build out a new studio to serve **3,500** local youth. A 97-unit senior building in **Albany Park** will undergo energy-efficient rehab. The City Gardens development will bring **76** mixed-income residential units to the Near West Side. A new building in **Pullman** will house a community healthcare facility and a restaurant.
